No pianos anywhere near their equal in tone, action, artistic design, quality of material or workmanship have ever been offered by any manufacturer or dealer at anywhere near the prices of these sweet-toned Pianos. Waiters Pianos are Built to Last a Lifetime

Every Waiters Piano is fully guaranteed for fifteen years (a fac-simile of this guarantee is inserted in gilt letters on the inside of the top of every plano).

Unless you have expert knowledge of plano manufacturing you must rely entirely upon the reputation of the firm from which you buy. Thus you can readily understain the genuine values you are guaranteed by the name "Waiters," backed by the firm of Bloomingdale Brothers. We will be glad at any time to have you look at and examine planos for sale elsewhere, and after inspecting them, with an expert if you wish, come here and see the Waiters Plano, hear its tone, go over the mechanism, consider its construction, give it a thorough investigation, and then judge for yourself if there is any other make of plano at double our price that can compare with it.

The cases are finished in finest double veneer and cross-banded.
The touch is exceptionally responsive and elastic; so easily manipulated that a child of two can get a good, strong tone with ease.

A good liniment or plaster, or some good home remedy will usually give temporary relief from the pain of Rheumatism, but the disease is more than skin deep and cannot be rubbed away, nor can it be drawn out with a plaster. Such treatment neither prevents nor cures; the excess of acid, which produces Rheumatism, is still in the blood and the disease can never be cured while the circulation remains saturated with this irritating, pain-producing uric acid poison. The trouble will shift from place to place, settling on the nerves and causing pain and inflammation at every exposure or after an attack of indigestion or other irregularity. When neglected or improperly treated, Rheumatism becomes chronic and does not depend upon climatic conditions to bring on an attack, but remains a constant, painful trouble. S. S. S. drives out Rheumatism by neutralizing and expelling the excess of acid from the blood. It purifies and invigorates the circulation so that instead of an acid-laden stream, constantly depositing uric acid in the joints, muscles, nerves and bones, the entire system is nourished and made healthy by rich, life-giving blood. Book on Rheumatism and any medical advice desired will be sent free to all who write.
